

Dear Farmington Field Club Member,

As you requested, enclosed is a membership application and a schedule of the Club's dues and initiation fees. Please be aware that a member is not allowed to sponsor an applicant until he/she has been a member in good standing for two years. A member shall be limited to sponsoring two applicants for membership in any calendar year. As the primary sponsor, it is your responsibility to follow the outlined procedure that has been adopted by the Board of Directors.

1. Have the applicant complete the enclosed application and return it to you.
2. Write a letter on behalf of the applicant. Contact to two sponsors. (No more than two of the three sponsors/supporters may be business associates.) Ask them to write informative and well-considered letters that should be sent to you. In the letters we request the following questions be answered:
 - a. How long have you known the applicant(s), and in what context?
 - b. Is this a business or social relationship?
 - c. Why do you believe the applicant(s) would enjoy the Field Club and contribute to it?
3. If the applicant(s) are new to the area, it would be wise to enlarge their circle of Field Club friends. You can encourage this by having them as guests at the Club.
4. When the three above procedures have been completed, the application and the three letters should be sent to the FFC Board of Directors, P.O. Box 10, Farmington, CT06034. These will be held in order of receipt for membership consideration.
5. When your applicant has become a member of the Club, it is your responsibility, together with the other supporters, to familiarize them with the facilities, introduce them to the staff and other members, and generally help them feel at home at the Field Club.

We thank you for your cooperation and for encouraging your friends to join us.

FFC Board of Directors
